ELECTRIC GRILL CATALOGUE

Make Life Easier!

Company Profile

Ningbo EAP Electronic Technology Co.,Ltd is a professional, diversified, market-driven electrical products company. The headquarter is located in Ningbo city China, which is famous manufacturing and exporting center of various electrical appliances, mechanical electronics ,electrical accessories---etc.

Since its foundation, EAP specializes in kitchen appliances, home appliances, health purifiers, smart electrical products--etc. Supported by our dedicated team of R&D, Design, Manufacturing, Quality controls, Marketing, Sales, and After-sales personnel, EAP has become one of the favorite partners among the customers around the worldwide.

EAP aims not only to be a product supplier, but also to offer total solutions in our products, supply chain & services. Till now, many of our products have passed the certificate CE, RoHS, ETL, EPA, FCC CCC and others. And our services include OEM, ODM, packaging design, product consult, one-stop supply--etc.

Our products have been exported to more than 30 countries, such as USA, Canada, Brazil, Germany, Spain, France, Poland, Mexico, Singapore, Israel, Russia, Thailand, Indonesia, and so on. We have established a comprehensive quality control system that keeps products in accordance with the regulations of ISO9001:2000. Our quality control is implemented in every step of the production process.

“Make Life Easier!”- EAP is looking forward to strong and long-term cooperation relationships with all clients ,and also to seek new business collaborations and opportunities for market expansion & diversification around the worldwide.
